Linda suggested we have a regular chapter meeting. We already have two half-day seminars scheduled in April and July. We will discuss at the next meeting when Sharon is present.
- Sumuer has prior commitments and will not be able to attend the board and chapter meetings in March and May.
- Heather and Linda will be at their corporate HR conference the first week in May and will also be unable to attend the May meetings.
- Heather asked if the chapter would reimburse her SHRM upcoming membership, as her company is short of funds. Dean said yes, we agreed to do so for board members who cannot afford to do so; members can pay their dues and then request reimbursement.
- Linda offered to collect funds for today's chapter meeting and pay for the lunches with her personal credit card and get reimbursed. She will deposit monies collected at the Bank of Astoria after the meeting and mail the receipts and registration list to Devra.
- Dean suggested we hold an upcoming board meeting at the college and get a quick tour of the new building and renovations. Lisa welcomed the idea and said they have a great new community room.
- We went around the table and shared information on what we are working on.
